### VICE PRESIDENT'S MESSAGE

There is a saying that "there are no atheists in foxholes during battles." This is attributed to a journalist named Ernie Pyle, who was a war correspondent during WWII and was killed in battle in the Pacific.

I bring up this quote having recently watched the documentary, *We Will Dance Again*, about the events experienced by the young people at the Nova Music Festival last year on October 7th in Israel. Along with the stories related by the interviewees, there was an occasional mention by some of their recitation of the *Shema Yisroel*, when they thought they were in imminent danger of meeting Hashem face-to-face.

The next day, I spent 3 hours re-listening to a 40-year-old taped interview of my mother by a person who recorded memories of Holocaust survivors.

Included in my mom's remarks were comments about some impromptu religious services that were quietly conducted during her time in Birkenau and in the barracks at the metalworks factory in Germany where she was enslaved.

Also, during the documentary, there was mention about the sacrifice made by a young man in a roadside bomb shelter who repeatedly tossed back 9 grenades that were thrown inside by the attacking terrorists. Unfortunately, the final grenade was effective in killing him and others with him. Comparatively, my mom swapped places with women who were pregnant in order that they would have a lighter, easier workload in the 12 hour shifts they worked in the factory.

I'm sure that there are countless similar acts of bravery and selflessness that can be cited in the tortured but epic saga of our people.

This commonality that we all share as members of the Jewish people is part of what unifies us and has allowed us to survive for millennia and, when allowed, to thrive and exhibit how special we are.

Part of this unity revolves around our ancestral homeland that is enduring a truly trying time since October 7, 2023, along with the rise in worldwide antisemitism. When asked if she believed that the Shoa could happen again, my mom gave the interviewer an emphatic, "YES!"

Finally, I realized while writing this that Hillcrest will be hosting an Israel Bonds breakfast this month which I'm sure many of you will attend. Let's show them what we're made of! *Am Yisroel Chai!*  
*Alan Reisner, Vice President*

## From Rabbi Kogan

Dear Friends of Hillcrest Jewish Center,

If you are like me, you probably get countless emails a day. In this past year, many of the emails I received, could be grouped under the title "bad news." Beginning with October 7, 2023, the hostages in Gaza, the increase of antisemitism, the harassment of Jewish students on campus, the indifference of the civilized world, and the list goes on.

So, I was very happy to receive an email this past week. The subject was: "Now for our MANY WINS this week!" The email listed the following good news:

- UNRWA has been rejected for the 2024 Nobel Peace Prize!
- Professor Finkelstein from Muhlenberg College in Pennsylvania became the first tenured professor fired for pro-Palestinian rhetoric!
- U-Conn President Maric finally said enough to antisemitic and misogynist actions on campus!
- Brown University voted against DIVESTMENT!
- Binghamton SA Congress voted against BDS!
- Northwestern ended their relationship with Al Jazeera!
- Tufts University suspended SJP following publication of a disturbing graphic featuring assault rifles, urging students to "join the student intifada" and "escalate" event!
- Many more license plates related to Oct 7 have been removed!
- Minnesota Vikings posted about October 7th, commemorating the victims and remembering the hostages!
- President Peña of Paraguay strongly supported Israel by moving the Paraguayan embassy to Jerusalem and honoring October 7th victims with mezuzahs!
- Antisemitic Mayor of Manassas Park will not be seeking reelection and Manassas democrats will not endorse her!
- The Weather Channel ads in NYC subways featuring a woman in a keffiyeh were immediately removed and the company president profusely apologized!
- Pat Gelsinger, CEO of Intel, has shared compassionate and thoughtful messages to Intel's Israeli employees!
- The President of Argentina delivered a powerful rebuke to the UN, calling out their absurd and hypocritical condemnation of Israel!
- Reverend Graham of Samaritans' Purse donated 14 ambulances to Magen David Adom in Israel!
- California Governor Gavin Newsom defied CAIR and signed THREE important antisemitism bills into law!
- Senator Marco Rubio and Senator Tim Scott introduced the Preventing Antisemitic Harassment on Campus Act!
- Congressmen Chris Pappas (NH,D), Jake Auchincloss (MA,R) and Josh Gottheimer (NJ,D) all spoke up for Jewish students in demanding elite universities do more to protect Jewish students!
- Governor Abbott declared October 7th as a Day of Observance for Israel in Texas!
- Maryland Governor Wes Moore lit the Government House yellow on 10/7 in honor of the hostages still held in Gaza!
- Governor Hochul ordered flags flown at half-staff on State buildings and landmarks illuminated in yellow to honor 10/7 victims!

### HERO OF THE WEEK:

- Pierre Poilievre, leader of the Progressive Conservative Party and perhaps Canada's next Prime Minister, became a household name with his stern, unapologetic and highly clear remarks on Israel's righteous fight against the evils of Iran!

I hope that reading the above good news brightens your day. It did brighten mine. Yes, there are still plenty of the "other" news, but it is very important not to overlook the sources of light amid the darkness. Being mindful that there is more than bad news in the world, that darkness doesn't reign unchallenged; will move us to be grateful to our friends, and to build the much-needed resilience to keep up the good fight.

So, let's celebrate as much good news as possible, and let's ask Hashem for more good news in the future.

Finally, as I recall good news, and sources of light and blessings in our lives, please join me in extending a heartfelt Mazal Tov to Joan Hausmann, HJC Bulletin editor for 38 years, upon reaching the milestone of her 90th birthday. May Hashem give you strength for many years to come, so all of us will continue to enjoy your light and your blessings.

*From my heart,*

**HERB KEINON**

Almost every day, we see headlines or listen to news reports about Israel. On Sunday, November 10th, we will have first-hand reporting about what is happening in Israel. Veteran Jerusalem Post journalist Herb Keinon will give his unique insight on the dramatic events of the last year. With a hand in reporting all the major stories in Israel since the mid-1980s, Keinon will put what we are witnessing now in historical perspective.

Herb Keinon is a senior contributing editor and analyst at the Jerusalem Post, writing extensively on diplomacy, politics and Israeli society. He has been at the paper for 38 years during which time he has covered all the major events and Israeli leaders like Rabin, Sharon and Netanyahu.

Mr. Keinon will speak at 3:30 P.M. There will be a "cake and coffee" at 3 P.M.

Please RSVP to the Hillcrest office (718-380-4145) if you are planning to attend.

Adult Education Committee presents  
**Local Eastern Woodland History**  
 Sunday, November 17  
 at 10:30 AM

**TECUMSEH CEASER**

Did you know that New York City has one of the largest Native populations and that there are still active tribes living in New York City, Long Island, New England, and New Jersey? Every day we use or see Native words and don't realize

it...like Rockaways, Canarsie, Montauk, Shinnecock and more.

Tecumseh Ceaser, a Wampum Carver and Cultural Consultant will give a presentation on local Native history, culture, customs and wampum. He is part of the Matinecock Turkey clan, and of Montaukett and Unkechaug descent. Tecumseh is an active member of both the urban Native community, as well as the local Eastern Woodlands Community. His community work includes cultural language and ceremonial revitalization and preservation. He is an Advisor for the Global Indigenous Youth Caucus at the United Nations. During his presentation, he will pull from both traditional knowledge from Native elders as well as from his advocacy work. To learn more about Tecumseh, visit his website: [www.nativetec.biz](http://www.nativetec.biz).

Join us on Sunday, November 17th at 10:30 AM in the Moreida Auditorium, as the Adult Education Committee hosts a presentation and discussion with Tecumseh Ceaser on *Local Eastern Woodland History*. This program is free and open to the public. A light bagel breakfast will be served at 10:00 AM. *Reservations are required so we can plan accordingly.*

## ADULT BAT MITZVAH

Last year a few women approached me and said that they would be interested in learning to do a Haftarah and would like a Bat Mitzvah. I started a class on Shabbat after the kiddush or lunch. We worked on trope for Haftarah and then each woman learned a part of Parshat Chaye Sarah. On November 23rd, they will have a celebration of their Bat Mitzvah. A girl becomes a Bat Mitzvah at 12, whether or not she celebrates it.

The four women are Ellen Hochstein, Gwen Jones-Cintron, Rochelle Mandell and Ilana Slaff-Galatan. They will do other parts of the service. Two other women who previously had a celebration of their Bat Mitzvah will participate that day also. They are Lisa Hochstein and Nora Kozuch. Please join us on November 23rd to celebrate what they have learned.

## QUEENS GENERAL ASSEMBLY VISITS HILLCREST JEWISH CENTER FOR AN INTERFAITH DIALOGUE

*Photos by Alan Reisner and Sherry Reisner*

On Tuesday, September 24th, about 25 members of the Queens Borough President's General Assembly came to Hillcrest for an Interfaith Dialogue. We began by gathering in the Sanctuary where Rabbi Kogan gave our guests an introduction to Jewish tradition. He showed everyone and blew his Shofar. Rabbi Kogan took a Torah from the Aron Kodesh and brought it out and opened it for our guests to see, and he read a portion. He explained how difficult it is to read from a Torah and for a Sofer to write one. Rabbi Kogan answered a few questions from our guests. Following Rabbi Kogan's presentation, we were also honored to have speakers Bishop Dustin Joyce from the Church of Jesus Christ of Latter-Day Saints and Dr. Abdus-Salaam Musa from the Muslim Alliance for Black Lives.

From the Sanctuary, we moved into the Moreida, where Rabbi Kogan treated us to pizza. Here we broke up into small discussion groups. We asked each other what religion they identified or were familiar with? What came to mind when they heard the word "faith"? We explored commonalities and differences among our faith traditions, such as rituals that might involve water or light; core values; roles women play.

I wish to thank Nadine, Juana, Melissa, Orlando and Wilson for their invaluable assistance. In addition, thanks also to Alan and Frank for security.

The Queens General Assembly is an intercultural dialogue group, which began over 20 years ago in February 2003, a vision of the late Queens Borough President Helen

Marshall. It was her belief that "building relationships across lines of race, ethnicity, religion, nationality, and sexual orientation will have a positive impact on developments in our borough as a whole."

*Sherry Reisner*

### SUBMISSION OF REQUESTS FOR HONORS ON SHABBAT

If you have an upcoming yahrzeit or simcha and would like an honor on the Shabbat preceding it, please let the office know as soon as possible. Some weeks are busier than others, and we would like to acknowledge everyone who should be given an honor. The requests are always reviewed and set up beforehand, so that we know if any additional honors are available.

If you would like an honor, but are not available on the traditionally observed Shabbat, please request an alternate date and bring it to Jeffrey Rosenberg's attention. A proper solution will be found.

***If you haven't yet  
made your  
Kol Nidre pledge,  
there's still time  
to do it now.  
Please call the office.***

### HILLCREST'S GOLF OUTING 2024

Our 11th Annual Golf Outing was held on Monday, September 16th at the Clearview Golf Course. This was the first outing held on a Monday in lieu of a Sunday. The weather turned out great. As usual we continue to have great camaraderie among our golfing members. The Rabbi's foursome were the winners this year. His foursome included Scott Cooper, his friends David Hasson and Dev Dhamija. We had a good number of prizes to raffle off. And we still were able to make some money for our Shul.

Thank you, Simeon and Hariette Saturn. Hariette took special care ordering the delicious food for our golfers. Simeon ordered coffee and donuts to get our golfers going. Hariette and Kathy Lewis set up the scrumptious food we were greeted with when we came off the golf course.

I know we are all looking forward to next year's number 12.
